*Energy awareness sheds light on your relationship with yourself. How do you give to yourself? Do you listen to your inner voice?*

*Discernment and laughter are both necessary ingredients to shift your attention to yourself from where the world pulls you. For those who I have worked with me one to one, this offers an opportunity to magnify your healing goals. See yourself from the inside.*

*Monthly energy checks on how you are using your tools and giving to yourself.*

*\$100 includes healing clinic  
\$25 energy check*

*Class also available 1 to 1  
Inner Alchemy 1-4 available monthly*
